utes.

Good .- The Washington correspond-nce of the Philadelphia Inquirer says: We have occasionally some side scenes that are quite amusing and often worth recording. This morting, Mr. Etheridge, of Tannessee, a very clever but most comical member, was amusing a litthe circle in the lobby behind the Speak-er's desk. The sternal subject of slaves ry was the theme. Mr. E. stated among other things, that he would have no hear tation in taking his slaves to Massachusetts-that when he came to leave they would go with him, unless they were re-strained by force, and that such was the case with all slaves who were well treated

Mr. Day of Ohio, greatly interfered with — That's all true, Etheriege, but if you don't meet that execution; you may be sure that the nigger will have 'to." hit was as offedure as it was perfect.

A new kind of candle has lately been nessful counsel turned from the court that understanding, has been found in allens, a product of the Breckenridge manufactured in St. Louis from "parcosl. It is said to be harden than the spermacotti, burns more luminously than the star, and can be manufactured cheapor than the stearing.

Criticus says that the difference between a successful lover and his rival is, his kinn A distinction and as differ-

In going on board a Mississippi steamboat the other day Mr. Jones met Mr. Smith. "Which way are you going, Smith—up or down?" 'That depends on circumstances, replied Smith. 'If I, wheep over the botter, up; if in the cabin

A nobleman at Paris, some time ago, THE WAY IT IS DONE.—The Journal of who traveled were much of parts and Commerce alluding to the Slave trade, as learning, while the English were generally wanting in both? Her ladyship, with Parties in Cuba desirous of fitting out a slaver, have no difficulty in procuring
